Accessibility Information

For a definition of what constitutes a fully barrier-free and wheelchair-accessible location, review the Accessibility Guidelines on page 2.

Restaurant is a **FULLY** barrier-free and wheelchair-accessible location

Restaurant is **NOT** a barrier-free and wheelchair-accessible location

Accessibility Guidelines

To qualify as a fully barrier-free and wheelchair-accessible location, your venue must comply with ALL items listed below:

- All pedestrian routes to and from the main entrance and exit should provide a level path or a ramp.
- Main entrance and exit doors should be a minimum of 915mm wide to allow safe passage of persons who use mobility aids, including wheelchairs or scooters.
- Glass doors should be clearly visible when closed. All door-opening hardware should be easy to grasp and use. Automatic door openers are recommended wherever possible.
- Aisle spaces between furniture, equipment or other fixed objects should be wide enough to allow a person using mobility aids to pass.
- If the program/activity is not held at entrance level, there must be an accessible elevator or ramp to the floor where this activity is being held.
- Public washrooms should have a door entrance of at least 915mm wide. The washroom stall should also have an entrance of at least 915mm wide and the stall should have grab bars installed by the toilet. There should be at least one barrier-free sink (knee clearance of 735mm below the vanity counter) with lever faucets.
